your recipe for success

*If one thing is certain,
it's this:
your business will
grow and change.*

So will your equipment needs. Silver Chef's Rent-Try-Buy model has been designed with this in mind. This allows you to preserve your much needed cash flow and gives you the freedom to run your business the way you intended.

Who we are

Chef is the only specialist hospitality equipment funder in New Zealand. We have provided flexible funding solutions to our customer's for close to 30 years.

What we do

Silver Chef's Rent-Try-Buy is unlike anything else on the market. **Why?** Because it allows you to save your hard-earned working capital rather than spending it on depreciating assets.

Rent-Try-Buy is a simple 12 month agreement that lets you try before you buy.

And if you exercise your option to purchase you will receive a 50% rebate on the net rent you have paid.

How it works

Choose your equipment from a Silver Chef Dealer

Includes standard items like coffee machines, fridges, fryers, exhaust hoods and benching.

Start your rental agreement today and over 12 months have the options to:

Equipment worth
\$10,000

is yours
for just

5 cups of coffee daily...
every cup after is profit!

How it benefits you

- Low weekly rental repayments
- Free up your valuable working capital
- Try before you buy
- Peace of mind from knowing you're not stuck with equipment that isn't perfect for your needs
- Add more equipment as your business grows
- A 12-month agreement, so you're not locked into a long-term lease
- Typically no directors' guarantees, so you don't have to put your house on the line!
- 100% tax-deductible rental payments
- 'Off balance sheet' renting, meaning it won't affect your ability to borrow for future expansion.

Easy as 1, 2, 3

1. Apply in minutes online or by phone
2. Choose the right equipment for you, sign the documents and pay a refundable security bond of 13 weeks' rent and a \$195 documentation fee.
3. Once you've received the equipment from your dealer, you're all ready to go!

The one off documentation fee sets you up for 12 months. You can then add additional equipment up to your approval limit with no extra fees.

Keep your options open with flexible, cash flow friendly equipment funding designed specifically for the hospitality industry – just Silver Chef it!
